

Hands-On History: A Workshop for Educators

Stones River National Battlefield invites middle Tennessee educators to join us for a five hour workshop that will allow you to experience the park's resources and education programs.

Educators will receive an in depth introduction to the museum and have a chance to work with rangers to improve the scavenger hunt quizzes used by students touring the museum.

Rangers will also present two of the park's education programs to illustrate how they can incorporate multiple curriculum needs into one visit using programs that are hands-on and encourage interaction between students and the resource.

When: June 16, 2007 and July 14, 2007

Where: Stones River National Battlefield
3501 Old Nashville Highway
Murfreesboro, TN 37129

How to Register: Call John McKay at 615-893-9501 or send an e-mail to stri_information@nps.gov.

Each workshop will be limited to 30 participants. Early registration is encouraged.
